COVID-19 Hotel Measures

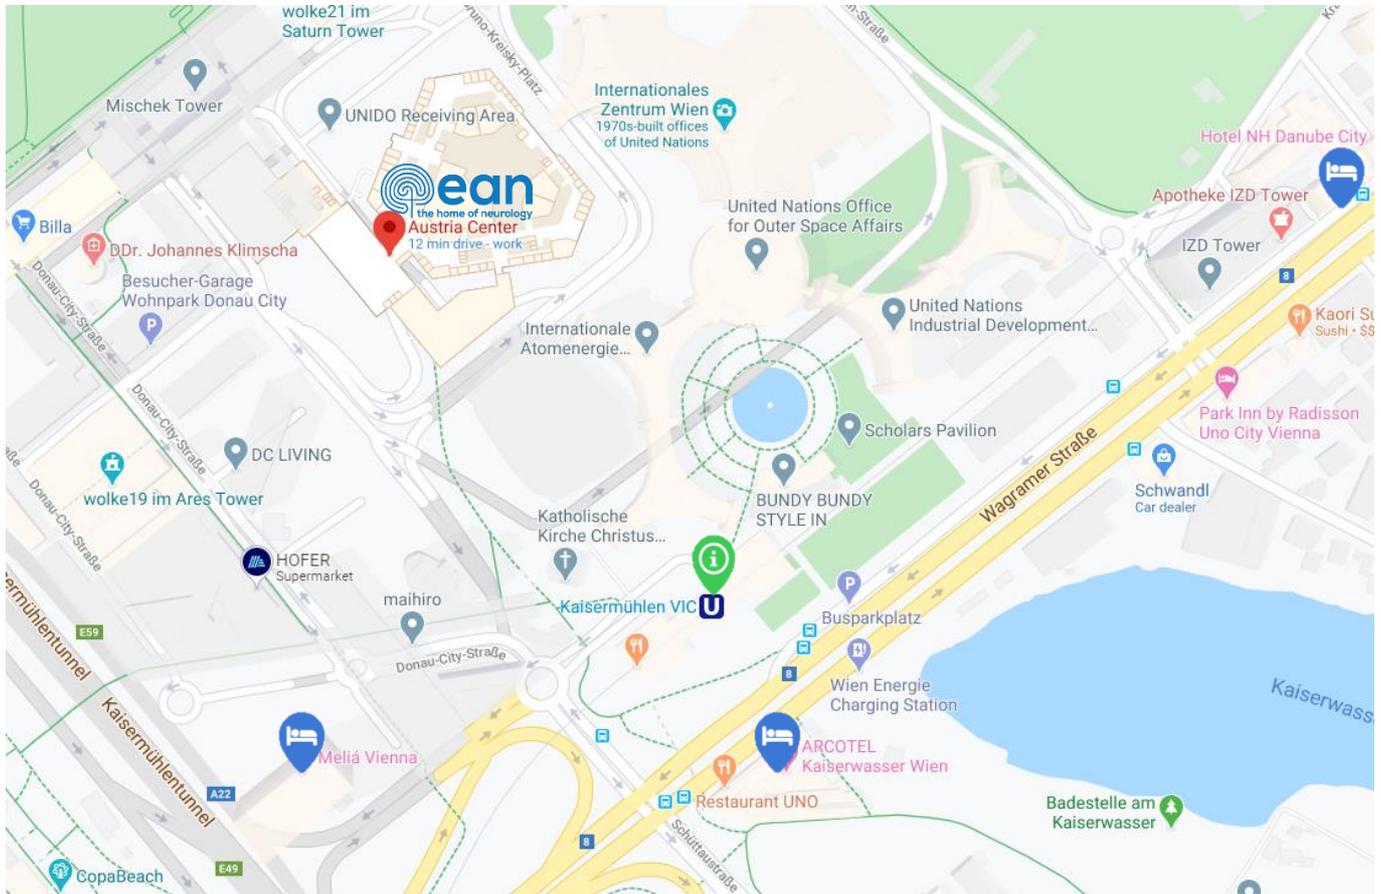

Due to the current situation and world-wide pandemic the hotels take specific measures to ensure a safe and pleasant stay in Vienna. Each hotel has individual safety guidelines but below you can find the minimum requirements that need to be fulfilled:

- ◆ Ensuring a minimum distance of 1 metre (by using signs, limit group sizes, working with reservations, offer contactless services)
- ◆ Adapting gastronomic offer to the situation (limited number of guests, space between tables, disinfect tables after usage)
- ◆ Using face masks where necessary
- ◆ Offering disinfectant for the guests
- ◆ Paying special attention to hygiene measures (regularly clean objects and surfaces that are often touched, regular ventilation)

Detailed information can be found on <https://www.vienna.convention.at/en/event-planning/covid-19/mirroredcontent-hygiene>.
