7 REASONS TO BECOME AN INDIVIDUAL MEMBER OF EAN

Get connected
Boost your career
Save money
Keep learning
Shape the future
Make a difference
Go global

Virtual Congress 2020 – how to be involved
Take part and benefit from our newly created virtual items:

Join us at the virtual EAN Booth
Welcome to the EAN Virtual Booth. Visit every part of the Booth to learn more about the EAN and its different parts. Download all items and join our community linking with specialties. Book a 5-minute slot for a special talk, our staff will be there for you.

Get all information on our different membership programmes, people behind EAN, the EAN Board as well as the EAN head office.

Meet us in our next congress destinations and how to become a part of future EAN activities. Join our opportunity to meet other members of the EAN community?

Learn more about all educational activities EAN has to offer for you - from study programmes outside the EAN congress, online learning possibilities or fellowships.

Use the virtual #printer:
