Virtual Congress 2020 – how to be involved

Take part and benefit from our newly created virtual items:

Join us at the virtual EAN booth

Welcome to the EAN Virtual Booth. Visit every part of the Booth to find out more about the EAN and all different parts. Download all apps and join our community looking with special features. Book a 5-minute slot for a speed-pitch and our staff will be there for you.

Get all information on our different membership programmes, people behind EAN, the EAN Board as well as the EAN Head Office.

At all times there is a live-chat available, where all participants can introduce the speakers.

Information on EAN publications and EAN Scientific Panels - not only on point membership, but also about these panels in analysis to do in the future.

Use the virtual printer:

Print out your programme as JPEG file for you - four study programmes outside the EAN congress, online learning possibilities or fellowships.

EAN is working with several partner societies and organizing its Scientific Programme and in the App. For the virtual congress 2020 special agreements have been made with:

EFAS - European Federation of Autonomic Societies

IFCN-EMEAC - International Federation of Clinical Neurophysiology - Europe - Middle East - Africa Chapter

MDS-ES - Movement Disorders Society - European Section

Neurohood: Visit our NPI partners' exhibition area in the EAN Neurohood!
