

# CLINICAL CONVERSATIONS IN MIGRAINE – WE CAN HELP!

Join us online during the EAN 2021 Virtual Congress

**ROOM VIENNA**  
 Saturday, 19 June  
 12:15 – 13:15 (CEST)

Join our expert faculty **LIVE** to hear them address some of the most commonly asked questions from clinicians across the globe on management of migraine.

- How would you manage migraine in a patient with high cardiovascular risk?
- What are the practical considerations in management of patients with treatment-resistance migraine and comorbid anxiety?

And many more..... Followed by audience questions and answers.

This symposium will also be available on demand.

PP-GZ-ALL-0010\_05/2021  
 You are viewing an International Virtual Congress run by the 7th Congress of the European Academy of Neurology (EAN 2021) and provided to international HCPs from around the world. Please note that prescribing information provided here may vary depending on local approval in each country. For purposes of the 7th Congress of the European Academy of Neurology (EAN 2021), best efforts were undertaken by the EAN and congress sponsors to ensure compliance with EFPIA code, however, you should review your local prescribing information and consult directly with the local affiliate of the relevant Company to address any questions.  
 The materials for Emgality contained in this virtual symposium are approved for use only in EU and UK. Prescribing information may vary depending on local approval in each country. Therefore, before prescribing any product, always refer to local materials such as the prescribing information and/or the Summary of Product Characteristics (SPC).  
 For Adverse Events and/or Product Complaints (AE/PC) please report per your local country requirements. Visit a region – or country-specific Lilly-owned website for more information on how to report.
