

Platform closure at the Kaisermühlen/VIC U1 subway station

The U1 service for Leopoldau (from the city center) will not stop at Kaisermühlen/VIC **between 25 April and August 2022**. You can comfortably reach the Austria Center Vienna on foot from U1 subway station Donauinsel in about **10 minutes**.

Attention – this path is not barrier-free! **Barrier-free alternative:** remain on board for three more stations to Kagran, change to the U1 service traveling in the opposite direction (towards Oberlaa) and get out at Kaisermühlen/VIC. Kagran has a central, barrier-free platform.
