June 01, 2023

### Loutraki, Greece, October 12-16, 2023

---

Increase your knowledge of clinical neurology! Experienced neurologists and sub-specialists will illustrate how they approach specific clinical presentations, including an update on relevant diagnostic and treatment approaches for key conditions in the relevant areas.

#### Preliminary Programme

1. Myoclonus
2. Ataxia
3. Speech and language disorders

#### Structure

Morning plenary sessions and hands-on/case-based clinical workshops (video and patient presentations) for 20 persons each in the afternoons.

Accommodation, tuition, board and programme are covered by EAN. Participants pay for their travel only.

**Arrival** Thursday, October 12, afternoon

The lectures are scheduled for the three consecutive days. Participation in the entire event is mandatory.

**Departure** Monday, October 16

**Capacity** up to 60 participants

**Location** Loutraki, Greece (1.5h from Athens)

#### Eligible

- RRFS members working in EAN member countries with more than 2 years of clinical training, up to a maximum of 5 years beyond their final degree (PhD, MD, or equivalent) at the time of application.
- RRFS members from Corresponding Institutional Member Countries (Algeria, Egypt, Jordan, Lebanon, Libya, Mauritania,

Morocco, Nepal, Palestine, Tunisia, Syria) and HINARI Group A countries are welcome to apply.

- Application for a travel grant is possible for members working in low and lower-middle income countries. A statement of intent must be provided.
- Previous awardees might apply again, but will be placed on the waiting list to give new applicants a chance.

#### All applicants must be Full member or RRFS member at time of application.

Application for RRFS membership must be started well in advance, e.g. 4 weeks before application deadline.
