3. Recent and upcoming activities
4. Membership

Major aims

Key objects:

- to **represent** and **inform neurology trainees** at an **international** level
- to **help** those who wish to **spend time in other countries** for clinical training or research
- to **improve the training of neurologists** by learning from the successes and mistakes of different countries
- connecting young neurologists** for clinical exchange
- to build a **platform for communication** among junior neurologists

EAN scientific panels

As delegate in the EAN scientific panel, junior colleagues can be involved in the development of neurological guideline to provide evidence-based guidance for clinical neurologists and other health care professionals.

13/05/2018

EAN scientific panels with EAN-RRFS representatives

Scientific panel	Name	Country
Dementia and cognitive disorders	João Durães	Portugal
Multiple sclerosis	Antonio Carotenuto	Italy
Stroke	Diana de Sousa	Portugal
Sleep-wake disorders	David Schreier	Switzerland
Neuroepidemiology	Liisa Korv	Estonia
Neuro-ophthalmology and neurotology	Sangeeta Scotton	UK
Coma and chronic disorders		
Palliative care	Katarina Ivana Tudor	Croatia
Neuro-oncology	Maria-Lucia Muntean	Germany
Neurogenetics	Marianthi Breza	Poland

Neurorehabilitation	Rémy Phan Ba	Belgium
Neurotoxicology		
Epilepsy	Vincent Keereman	Belgium
Infectious diseases	David Garcia Azorin	Spain
Movement disorders	Antonella Macerollo	United Kingdom
Autonomic nervous system disorders	Simone Vigneri	Italy
Child neurology	Magdalena Ogrodnik	Poland
Neurophysiology	Panagiotis Zis	United Kindgom
General neurology	Monica Margoni	Italy
Higher cortical functions	Miguel Pereira	Portugal
Muscle disorders	Paolo Ripellino	Switzerland
Neurocritical care	Raquel Rocha	Portugal
Neuroimmunology	Domizia Vecchio	Italy
Headache	Vana Kosta	Croatia
Neurosonology	Raluca Badea	Romania

Become representative of EAN scientific panel!!!

Send the following to the RRFS (rrfs@ean.org):

13/05/2018 CV and Motivation letter

Become representatives to EAN scientific panels!!!

- ❖ Neurotraumatology
- ❖ Pain
- ❖ Neuroimaging
- ❖ ALS and frontotemporal dementia
- ❖ Neuropathies

How to apply...
Send the following to
the RRFS
(rrfs@ean.org):
* CV
* Motivation letter

13/05/2018

National representative in EAN-RRFS

AIM:

- to have a better link between countries, to facilitate the speed of information flow and to exchange experiences

AS A REPRESENTATIVE:

- to disseminate information in your own country about the available grants, regional teaching courses, spring school, congress activities (social events, special session)
- to encourage juniors to prepare interactive case reports for eBrain
- to inform EAN-RRFS and each other in the representative's team if our country organizes interesting activity/course for junior neurologist that could be useful for juniors from other countries, as well.
- Belgium, France, Germany, Kazakhstan, Albania, Slovenia, Denmark, Switzerland, Sweden, Serbia, Romania, Kyrgyzstan, Hungary
- Who will be from Moldova? 😊

13/05/2018

Become a member of EAN-RRFS!

13/05/2018

Membership

Eligibility

- Resident in Neurology
- Research Fellow
- PhD student

For all of the above three groups up to a maximum of 3 years beyond their latest degree (MD, PhD, neurological specialist or equivalent)

Procedure

- Complete application form
- A curriculum vitae (CV)
- Eligibility has to be proven annually by a signed confirmation of the physician in charge of the residency programme.

Email us the documents to: rrfs@ean.org

13/05/2018

Membership

BENEFITS

That you have as **EAN individual member** via the **Resident and Research Fellow Section**:

- ❖ **One free Teaching Course at EAN annual congresses (new!)**
- ❖ **Access to VIP (catering) area at EAN annual congresses (new!)**
- ❖ Reduced fees at EAN annual congresses
- ❖ Participation in RRFS activities
- ❖ Participation in EAN activities (i.e. Committees, newsletter via RRFS)
- ❖ Right to apply for [EAN Scientific Panels individual membership](#)
- ❖ Access to [MyEAN](#), your interactive communication platform
- ❖ Right to purchase the European Journal of Neurology at a reduced rate (€75, - per year)
- ❖ EAN-AAN Joint Membership (10% off the AAN membership fee) *Please make sure to mention this to AAN!*
- ❖ Free online access to the:
 - o European Journal of Neurology (EJoN)
 - o online learning platform eBrain
 - o EAN Guidelines
 - o EAN educational grants (if applicable)

13/05/2018

Membership

Registration via EAN website

Membership fee per calendar year:

45€ (high income)

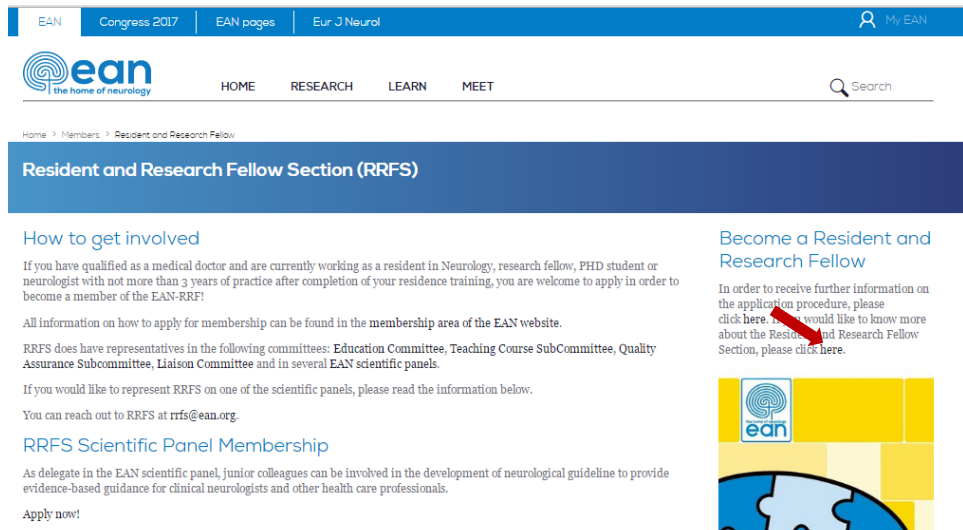

25€ (low income countries)

NEW in 2017:
Please note that new members pay for the 1st year and receive the 2nd free-of-charge.

- | | |
|---|---|
| <ul style="list-style-type: none"> ✓ Monthly mailshots of the EAN electronic newsletter EAN pages ✓ Right to purchase the European Journal of Neurology at a reduced rate ✓ Reduced fees at EAN annual congresses ✓ A membership certificate ✓ Free online access to: <ul style="list-style-type: none"> • the European Journal of Neurology (EJoN) • the online learning platform eBrain • the Guidelines • EAN educational grants (if applicable) | <ul style="list-style-type: none"> + Participation in RRFS activities + Participation in EAN activities such as Scientific panels, committees, newsletter via RRFS + One free Teaching Course at the EAN annual congress + Access to VIP (catering) area at EAN annual congress + AAN Joint Membership (10% off the AAN membership fee for EAN members and 10% off the EAN membership fee for AAN members) |

Annual Spring School: Staré Splavy, Czech Republic

- 4 days course in English: May 10-13, 2018
- Application deadline: January 31, 2018
- Topics:
 1. Idiopathic inflammatory diseases
 2. Movement disorders
 3. Neuro-ophthalmology/-otology
 4. NEUROLOGY IN THE WORLD - present state and perspectives

A half-day trip to Prague is planned.
Participants pay only for their travel.

13/05/2018

SPRING SCHOOL

Staré Splavy, Czech Republic, May 10 -13, 2018

Applications open between 1 November 2017 and 31 January 2018

Thursday, May 10th

INFLAMMATORY MYOPATHIES

Morning

Marianne de Visser, The Netherlands; Idiopathic inflammatory myopathies excluding inclusion body myositis
Benedikt Schoser, Germany; Inclusion body myositis
Jiří Vencovský, Czech Republic; Extramuscular manifestations of idiopathic inflammatory myopathies

Afternoon

Benedikt Schoser: Management of idiopathic inflammatory myopathies excluding inclusion body myositis
Jiří Vencovský; Significance of antibody testing in idiopathic inflammatory myopathies
Marianne de Visser; Clinical case discussions

Friday, May 11th

MOVEMENT DISORDERS

Morning

Evžen Růžička, Czech Republic; Functional movement disorders - diagnosis and management
Matej Škorváněk, Slovakia; Diagnostic and therapeutic approach to dystonia
Lucia Muntean, Germany; Sleep disorders in patients with Parkinson's disease

Afternoon

Evžen Růžička; Gait disorders in clinical practice
Matej Škorváněk; How to examine a patient with parkinsonism - tips and tricks
Lucia Muntean; How to evaluate patients with sleep disorders in a neurological setting

Saturday, May 12th

NEUROOPHTHALMOLOGY/ NEUROOTOLOGY

Morning

Michael Strupp, Germany; Update on vestibular disorders
Andreas Zwergal, Germany; Ocular motor and vestibular bedside testing
Konrad Weber, Switzerland; Ocular motor and vestibular laboratory testing

Afternoon

Andreas Zwergal; Benign paroxysmal positional vertigo
Michael Strupp; Vestibular migraine
Konrad Weber; Acute vestibular syndrome: stroke vs. Neuritis

Sunday, May 13th

NEUROLOGY IN THE WORLD - present state and perspectives

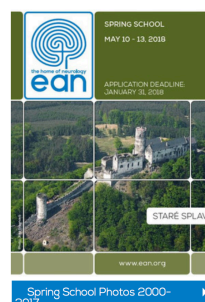

Morning

Giovanni Di Liberto, Switzerland, EAN RESIDENT & RESEARCH FELLOW
SECTION REPRESENTATIVE
Postgraduate education in neurology, opportunities and organizations for neurologists in training

Milica Mijajlović, TEACHING COURSE SUB COMMITTEE: European Board Examination in Neurology

Alena Šteflová, WHO PRAGUE, CZECH REPUBLIC: WHO priorities in brain and nerve diseases

Helena Rösslerová, LUNDBECK, CZECH REPUBLIC: Lundbeck Institute - educational system in neurosciences

Previous Spring School reports

Reports of all spring school courses can be found in [EAN pages](#) and in the [EAN Archive](#).

13/05/2018

Regional Teaching courses (2 Europe+ 1 Africa) & EAN-Day during National Neurological Societies' Meetings

- ✓ **RTCs & EAN-Days provide**
 - **basic teaching in neurology**
 - establish **friendly relations** with the young colleagues
- the language is **English**
- duration: **3 days/ 1 day**
- Morning: 3 plenary sessions EAN supported speakers
- Afternoon: small tuition groups (case-base videoclips, etc.)

13/05/2018

Next Regional Teaching courses

Next Regional Teaching Course in Struga, Macedonia

Date: 14-16 September 2018

Organiser: Macedonian Neurology Society, Prof. Anita Arsovska

Location: Complex Hotel Izgrev, 6330 Struga, Macedonia

Preliminary Programme:

Day 1: Stroke

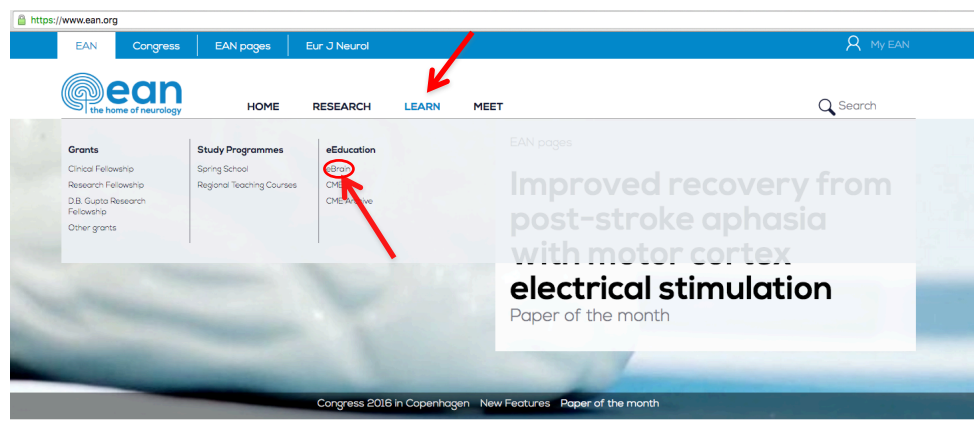

Day 2: Epilepsy

Day 3: Mixed topics: MS, neuroimaging, general neurology

13/05/2018

eEducation: eBrain

13/05/2018

eBrain

- world's largest, most comprehensive web-based training resource in clinical neuroscience
- interactive online learning, supports training and continuous professional development
- approximately 20 modules of e-learning, with each of the 550+ individual lessons taking around 20-30 minutes to complete
- covers all fields of neurology

- Free for EAN (+EAN-RRFS) members
- <http://www.ebrainjnc.com/>

13/05/2018

E-publication: Interactive case

- Cases with difficult diagnostic or management issues
- Virtual interactive case report in eBrain (huge e-learning platform)
- Template, guidance are available

<http://www.ebrainjnc.com/learning/course/view.php?id=721#section-1>

- Cases are announced once a month in the “Education corner” of EANpage with the authors’ name and photo 😊
- 1st step: send a short description of the case (max 200 words.) to Dr. Antonella Macerollo (a.macerollo@ucl.ac.uk)

13/05/2018

Abstract reviewer, poster chair

- All abstracts are reviewed by 3 neurologists
- Chance to be selected as chairperson of a poster session
- 31 different topics
- If you are interested send an email to rrfs@ean.org

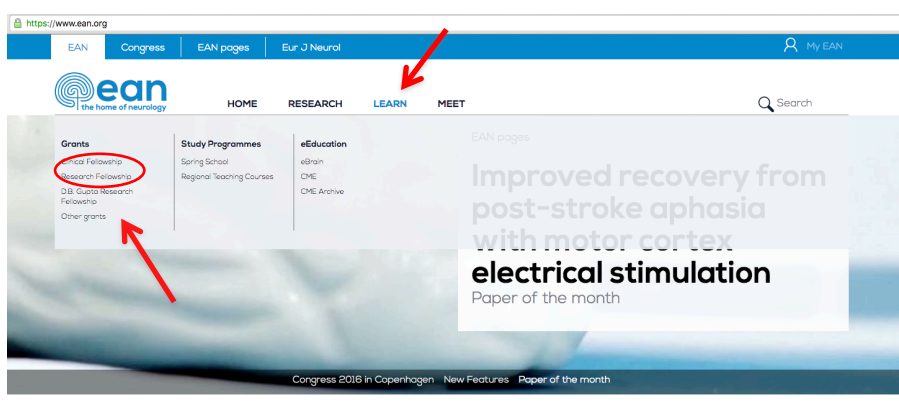

13/05/2018

13/05/2018

Clinical Fellowship 2019

Important! Find your hosting department before application to EAN! as you need a letter of acceptance from the host department, including a named supervisor

History

- Since 2001, originally devoted to young neurologists from Eastern Europe.
- Later extended to participants from Western Europe and Mediterranean countries.
- Since the beginning more than **750 neurologists** took advantage of these grants

Purpose (subject in negotiation)

- **Provide clinical observational experience** at a **hosting department outside the country of residence**
- At least **6 weeks**

Award

- **35 grants**
- **2250 Euro**
- travel expenses of up to **300 Euro**
- Total: **2550 Euro**

Deadline:
October 31, 2018

13/05/2018

Research Fellowship 2019

12 months
2000 euros per month
(+travel costs)

- Research training fellowship (12 months)
- Research experience fellowship (6 months)
- specific research methodology or technique

Important! Find your hosting department before application to EAN! as you need a letter of acceptance from the chair of the host institution

Deadline 31.8.2018

13/05/2018

Eligible (both fellowships)

- residents of neurology (with a minimum training in Neurology of 2 years) or certified clinical neurologist, with no more than 3 years clinical practice since completing training.
- fluent in English or in the local language of the hosting country
- CF: have been accepted by an approved host department
- Awardees from previous years (applies also to former D-D programme) are no more qualified

Important! Find your hosting department before application to EAN!

13/05/2018

- A. What is EAN-RRFS?
 - General information
- B. Educational opportunities
- C. Available fellowships
- D. Available grants**
- E. Other interesting summer/spring schools

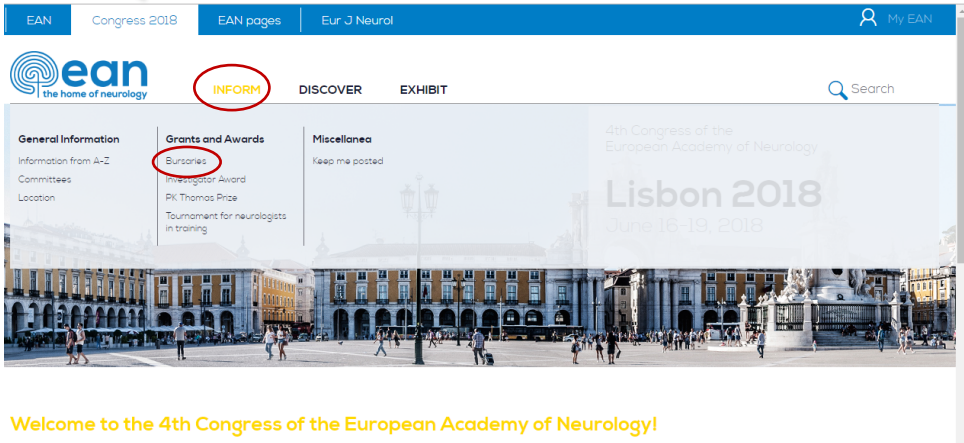

EAN bursaries

www.ean.org

Welcome to the 4th Congress of the European Academy of Neurology!

13/05/2018

EAN Bursaries

- 200 bursaries
- free registration to the congress
- up to four nights hotel accommodation

Eligible:

- ✓ Eligible are PhD (neurology) students, residents of neurology or certified clinical neurologists (with no more than 3 years practice since completing training) who are working in Europe and whose abstract has been accepted.
- ✓ It is also possible for colleagues in training from Algeria, Egypt, Jordan, Kyrgyzstan, Lebanon, Libya, Morocco, Palestine, Tunisia and Syria as well as from sub-Saharan countries belonging to the HINARI Group A list of countries as established by WHO (www.who.int/hinari/eligibility/en/) to apply for bursaries.
- ✓ abstract submission deadline for **Lisbon 2018: 10 January 2018**

13/05/2018

EAN - RRFS grants

Advertised in our Facebook page

13/05/2018

EAN-RRFS GRANTS

10th European Board Examination in Neurology

- Up to **4** grants are available
- Amount : **250** Euro
- Help with reimbursement of entry fees for the **10th European Board Examination in Neurology** (Lisbon, Portugal)
- Applications should be sent to EAN-RRFS Office, via email: rrfs@ean.org

The following should be submitted:

- ✓ **A short CV**
- ✓ **Proof document that your application for the UEMS/EBN examination is accepted**
- ✓ **Copy of passport** (in an attached picture file)
- ✓ **have not received any other financial support**

It will be announced and reminder will be sent by email to RRFS members.

13/05/2018

EBN exam

- Structured examination – helps to harmonize the postgraduate training of Neurologists and sets European standards
- Close to national examination
- High pass rate
- Test own knowledge in comparison to Neurologists from different countries
- Leads to a qualification (FEBN)
- is an **additional sign of excellence** but no legal consequence is attached nor the right to practise within the EU or elsewhere is affected.

13/05/2018

EAN-RRFS TRAVEL GRANTS 2016

- **4** travel grants
- Amount : **250** Euro

Eligible:

- ✓ trainees who have successfully presented their work at a conference during the year 2017/2018
- ✓ or attended a course which significantly improved their clinical or research skills
- ✓ have not received any other financial support

Apply: motivation letter, your CV, approval of the participation of the congress/course, declaration stating that you have not received any other financial support.

13/05/2018

Dates to remember

1. **EAN Congress in Lisbon, 16-19 June 2018**
RRFS special session: **17.09.2018, 8:00-9:30**

2. EAN-RRFS Grant for EBN Examination
Deadline of application: **TBD**

3. Research fellowship
Deadline of application: **31.08.2018**

4. Clinical fellowship
Deadline of application: **21.10.2018**

5. 2018 EAN Regional Teaching Courses: **14-16 September 2018** in Struga, Macedonia

Thank you for your
attention !
